

### **Trad for Trócaire:**

Dr Marta Czerner, Dr Ann Kiely and Dr Eleanor McGillicuddy organised a 'Trad

for Trocarie' night which got great support from those involved with the programme. Photographed below are Cian Ó Móráin and Clodagh Buckley showing their hidden talents! Due to the success of the evening a further fundraiser is planned; details will be circulated once confirmed.

## Out with the old and in with the new.....

The second group of trainees is due to finish their four years of training in the next couple of months. A celebration of their graduation will take place in The Kenmare Bay Hotel, Saturday, 16<sup>th</sup> June 2012. All trainers, trainees, programme team and their family and friends are welcome. ## National Trainer Workshops

The National Trainer Workshop was held in Kilkenny in February and was packed with some very interesting workshops. Trainers from all the programmes around the country were in attendance.

A New Trainers Workshop was held in December in the Irish College of General Practitioners and a further new trainer workshop is to be scheduled before the summer.
